Centennial Homestead does not provide or organise marquees. Marquee supply and set-up must be contracted with an external supplier (and at the cost of the hirer). Additional venue charges apply as marquees typically require an all-day bump-in. Due to the extensive set-up required for marquees, you must advise the Event Team of your intention for a marquee at the time of booking your wedding, as this must be included in your proposal contract. Our Events Team is more than happy to discuss your options in detail and if a marquee is necessary for your wedding. We can also discuss known suppliers that we recommend and trust for marquees.

WEDDING INFORMATION

Our Events Team

Your wedding is extremely important to us. At Centennial Homestead we have a dedicated team of wedding professionals who are here to help you. Throughout every stage of the coordination process you will be guided by a member of our team. Your dedicated Wedding Coordinator will oversee the logistics and planning of your special day, including your menu tasting and selections, customised floor plans, run sheet timings and every other finer detail. Once every part of the coordination is finalised, your Wedding Coordinator will then hand over responsibility of your wedding to our Event Operations Manager. Our Event Operations Manager will be there for the duration of your wedding to make sure everything provided by the venue is seamless and perfect! In addition to your Events Manager, your wedding will also have 1 bartender and 1 staff member for every 20 guests (seated reception), or 1 staff member for every 30 guests (cocktail/canapé reception).

External Suppliers

External suppliers may include photographers, videographers, DJ/band, stylists, florists, lighting, cake, photo booths etc. We request that you contract/book the suppliers for your wedding. We will provide you with a list of our preferred suppliers who we are pleased to recommend for weddings as they know our venue extremely well and provide a high level of service. You are also welcome to utilise your own trusted suppliers.

Please note that all suppliers must have Public Liability Insurance which must be provided to our Events Team.

Menu Tasting

Menu Tastings for plated and grazing menus are hosted approximately 4 times a year, usually on a weekday evening. We do not offer menu tastings for our canapé menu. Tastings are complimentary for the wedding couple only. Most of the dishes from our current menu will be sampled. If you would like to invite others to attend the tasting with you, additional charges will apply.

Place Cards & Bonbonnières

Please deliver place cards and bonbonnières (if being used), together with your other minor items, to our venue between 11.00am–3.00pm the day prior. Our Events Team will place your items according to the instructions you have communicated to your Wedding Coordinator.

Additional Table Items

We provide complimentary printed menus (2 per table), tea lights (2-3 per table) and table numbers. Please advise your Events Team if you require these items.

Seating List Template

We will forward you a seating list template depending on whether you would prefer long or round guest tables. The seating list is where your guests are seating on the specific table, their dietary requirements, if they are a child/teenager and if a high chair is required.

Client Seating Chart

In order for your guests to know where they are seated, you will need to provide your own display seating chart. Please ensure this is attached to cardboard or in a frame, so it will stand by itself. You are more than welcome to use our easel for your seating list – our easel can hold up to an A0 size.

Dietary Requirements

Dietary requirements are provided for separately by our Head Chef. To ensure your guest receives their specific 'dietary' meal, we need to know where they are seated. As previously indicated, you will do this by completing your 'Seating List Template'. We can cater to special dietary restrictions for up to 10% of your guest list.

Wedding Planner Document

We will provide you with a wedding planning document and timeline to assist you in the preparation for your special day. The planning document will guide you through the decision-making process and ensure you have covered every detail. You will complete the planning document prior to your final wedding meeting with your Wedding Coordinator who will then create your event sheet.

Meetings and Communication

Due to the busy nature of our venue, we aim to respond to all communication within 24-48 hours. Please do not hesitate to contact our Events Team to make an appointment if you wish to have a face-to-face meeting during the coordination process.

QUESTIONS ASKED BY PREVIOUS CLIENTS

Can I have an earlier/later reception?

An earlier reception start time is subject to availability – please ask our Events Team for our additional hire fee and a potential early arrival to our licensed lawn. For a daytime reception, it may be possible to extend your reception, subject to availability. Please ask our Events Team for the additional hire fee. For an evening reception, all weddings must conclude by 11:30pm with a midnight guest departure, due to licensing regulations.

What can guests do in between ceremony & reception timing?

You may wish to book our Ceremony Hospitality Packages which we bring directly to your ceremony site within the Park. Alternatively, you can organise for your guests to arrive early onto our licensed lawn for pre-reception drinks and nibbles (early arrival charges apply). Otherwise, you might wish to suggest to your guests that they retreat to a venue located just outside the Park, for example in Woollahra or Paddington.

When can I deliver my items for my wedding?

You can deliver minor items on the day prior to your wedding date between 11.00am – 3.00pm. Note that we do not have a large amount of storage space in the venue, therefore we are unable to store larger items overnight.

Do I need my own Stylist or Wedding Planner?

This will really depend on your vision for the day, especially if you have many incoming suppliers requiring supervision and direction.

Our Events Team is responsible for the delivery of food and beverage service and the initial set-up of the space as per your customised floor plan. A Stylist/Planner will typically oversee and manage your table decorations and venue styling.

Can I provide additional candles?

Yes, candles must be placed in holders (to catch any wax). You will need to arrange your stylist/florist or family member to set this up for you.

Can I create a bespoke menu or make changes to the existing menu?

All bespoke menu or menu change requests are on application only. Please speak with our Events Team about your vision and specific requirements. Please note additional charges will apply.

Can I have a barista at my wedding?

We can certainly provide you with a barista on site to offer your guests barista style coffee and tea. There will be an additional cost for the barista. Teas and coffees are charged on a consumption basis. Alternatively, plunger tea and coffee are included in our packages and are served complimentary to your guests.

Is there somewhere the Bridal Party can freshen up?

We do not have a bridal room, however we do have a large family bathroom the bridal party can use to freshen up away from the guests. The bridal party can also have canapés and drinks on the outdoor kiosk decking prior to joining the rest of the guests.

What happens to my items at the end of my reception?

Please assign someone to look after collecting your items at the end of your reception. This will include the wishing well, gifts, guestbook, signage, any decorations, leftover cake etc. Because of the busy nature of the venue and our limited storage space, we are unable to store any items for you so please make sure everything is collected.

When are final guest numbers due?

Your final guest numbers will need to be submitted to our Events Team 2 weeks prior to your wedding. After this time, we will be unable to make any further changes to your run sheet and menu selections.

How do I pay for my wedding?

Final payment for your wedding is due 1 week prior to your wedding date. You may pay via EFT or credit card (1.5% surcharge applies to all cards). Please speak with our Events Team regarding international money transfers (SWIFT/BIC codes etc.)

QUESTIONS ASKED BY EXTERNAL SUPPLIERS

Is it possible for an earlier bump-in access to the room for suppliers?

Yes, subject to availability – please ask our Events Team for additional hire fee.

Are there any restrictions for live music or DJs?

You are most certainly welcome to have live music or DJs in the venue. Please note there is a noise restriction of 70 decibels from the Centennial Parklands boundaries and music must finish at 11.30pm. All bands/DJs are required to bring their own sound equipment and speakers (this is fairly standard and should be explicit in their contracts). Please chat with our team to ensure your entertainment provider is an approved supplier of Centennial Homestead.

Can you store my wedding cake overnight or can it be delivered earlier on the day?

Unfortunately, due to the busy nature of the venue we are unable to store cakes or desserts overnight in our cool room or have cakes delivered earlier in the day.

What is the height of the two rigging points in the Wisteria Room?

The rigging points are 4m from the flooring and require a minimum 3m ladder to reach these points. Please note that we only have one 3m A-frame ladder in the venue.

Can I install additional lighting or a dance floor in the Wisteria Room and/or on the lawn?

Yes, please ensure your suppliers are familiar with the venue and are aware of their bump-in access time and have Public Liability Insurance

Where is your loading zone for deliveries?

We have 2 different loading zones for suppliers. The first is located at the end of Banksia Way, just in front of the children's playground. The second is located on Parkes Drive, just south of Banksia Way.
